Are you a hands-on problem solver keen to know how things work? Does machinery and all things technical get you revved up?

The Automotive industry offers a wide range of exciting employment opportunities. Employment within the transport industry is set to increase in the NSW North Coast region in coming years; shortages of skilled labour in this sector mean job prospects are good.

At North Coast TAFE, we have large automotive workshops with all the latest equipment so you receive a hands-on education – learning from professionals with real life experience in their field. We offer a number of nationally recognised qualifications in the automotive industry, so whether you’re an expert or a novice, explore our courses and find the best fit for you.

This might suit you if you’re interested in these courses or if you:

- Enjoy working with your hands
- Enjoy physical work
- Love cars, engines and machinery
- Enjoy problem solving

**COURSES WE OFFER INCLUDE:**

- Automotive Electrical
- Automotive Systems
- Bicycles and Motorcycles
- Heavy Vehicle
- Light Vehicle
- Paint and Panel
I found my TAFE experience really good... my teachers were really supportive and it was the expert framework that allowed me to extend myself this far.

MARK WILLIAMS, CARPENTRY APPRENTICE

Do you love working outdoors in practical hands-on roles? Are you interested in one day owning your own business?

The building and construction trades industry offers numerous career paths and opportunities around Australia and overseas. On the North Coast the construction industry employs the third highest share of workers, making it an attractive career option with great salaries and rewards.

At North Coast TAFE we have dedicated practical teaching spaces for all of our Building and Construction Trades courses including specialist centres focused on shop-fitting, kitchen and detailed joinery trades training. We also offer a range of apprenticeships and traineeships, customised skills courses for particular parts of the industry and courses to guide you into further study - so explore our options to discover the right qualifications for you.

COURSES WE OFFER INCLUDE:

- Bricklaying
- Building Management
- Construction Management
- Carpentry, Joinery and Cabinetmaking
- Concreting
- Plumbing, Water and Waste Management
- Resources and Infrastructure Industry
- Tiling
- Waterproofing
Would you enjoy working in an office environment, utilising your great communication skills? Do you aspire to be a leader in your workplace? Are you organised, professional and always looking for a challenge?

The business industry offers a huge variety of career paths and opportunities, whether you want to work in the city or the country, in a big business or small. As one of Australia's largest employment sectors, the business industry continues to grow with jobs in administration, finance, creative services and more.

Business courses at North Coast TAFE deliver a range of outstanding teaching experiences in simulated Business Model Offices. Our strong relationships with universities mean that if you want to continue on to further study, credit from recognised courses in Business at North Coast TAFE will help you achieve your goals.

This might suit you if you’re interested in these courses or if you are:

- Professional and ethical
- A team player
- Interested in problem solving
- Well organised
- A good communicator

COURSES WE OFFER INCLUDE:
- Accounting and Finance
- Business Administration
- Community Pharmacy
- Computing (Microsoft Office)
- Educational Leadership
- Human Resources

Aboriginal Pathways

We believe in the power of education

Investing time and effort into knowledge, skills and the right mindset for the workplace can open a world of opportunity.

We also recognise the importance of connection, identity, cultural safety and having a laugh. Add these to our industry standard training, and your learning experience with us is sure to be rewarding.

Aboriginal Pathways offers a range of flexible programs for Aboriginal and Torres Strait Islander people as a step towards employment opportunities or moving forward in a career. These programs are delivered through residential study blocks with travel, accommodation and meals provided as part of the program. Many of our students who live or work throughout NSW are eligible for subsidised training places under Smart and Skilled and a full fee exemption.

Customised solutions for business

We can customise Aboriginal Pathways programs for business.

Whether it be a pre-employment program to attract and prepare Aboriginal staff, training to upskill your existing staff, training mentors in your organisation to support new Aboriginal staff, cultural education for non-Aboriginal staff or other ideas.

We can also deliver unique customised services through our partnership with Aboriginal Employment Strategy to combine training with pre and post work placement support.

Please contact us at aboriginalpathways.com.au if you’d like to discuss how we can create opportunities together or to register your interest.

It’s all about creating opportunities together.
Do you want to be work-ready before you complete your University degree? Do you want to use your TAFE qualification to get into university, with credit for the hard work you’ve already done? Do you need alternative qualifications to an Australian Tertiary Admission Rank (ATAR) to enter University?
